

The following list includes **free** Wi-Fi hotspots in Greensboro where you can connect to the internet free of charge with a wireless laptop. To automatically connect to a business / location's website, simply hold down the Ctrl button on your keyboard and use your mouse to click on a business name.

(Note: while there are other locations in town for wireless, they will charge you a fee or require you to have service with a company who charges you a rate.)

If you learn about other free Wi-Fi hotspots, please send us an email at lac@uncg.edu!
