Additional Information & Recommendations

Maximum Transferability

A maximum of 64 hours will transfer from across all 2-year (Community College) institutions. Credits will be reallocated up to the maximum for the greatest benefit of the student if more than 64 transferable hours are found among the student's 2-year coursework. Only grades of C- or higher are eligible for transfer to UNCG.

Time to Degree

Because the Business 2Plus program is highly variable, the courses remaining after transferring to UNCG will depend greatly on the efficiency of a students' course selections compared to their desired major program. Please check this guide against the UNCG Catalog for the program of interest to determine the best selections for you.
