Additional Information & Recommendations

Maximum Transferability

A maximum of 64 hours will transfer from across all 2-year (Community College) institutions. Credits will be reallocated up to the maximum for the greatest benefit of the student if more than 64 transferable hours are found among the student's 2-year coursework. Only grades of C- or higher are eligible for transfer to UNCG.

Time to Degree

Students following this guide for the B.S. in Human Development & Family Studies should expect to complete approximately 65-70 semester hours after transferring to UNCG. This consists of 6-11 hours of general education (MAC) courses and approximately 59 hours of major courses. Variation from the recommended courses in this guide *may* add additional hours to be completed after transferring.
