Associate in Applied Science (AAS) in Interior Design

Please refer to UNCG's admissions website for more information on admission and transfer of credits. Credit will only be awarded for transferable courses for which a grade of C- or better is earned. Some courses shown in this guide may not be awarded credit until an AAS has been awarded by the NC Community College. Refer to the CAA Transfer Course List for a full listing of courses by designation – UGETC, General Education, Pre-Major/Elective.

Additional Information & Recommendations

Maximum Transferability

A maximum of 64 hours will transfer from across all 2-year (Community College) institutions. Credits will be reallocated up to the maximum for the greatest benefit of the student if more than 64 transferable hours are found among the student's 2-year coursework. Only grades of C- or higher are eligible for transfer to UNCG.

Time to Degree

Because the Interior Architecture 2Plus program is highly variable, the courses remaining after transferring to UNCG will depend greatly on the efficiency of a students' course selections and the results of a portfolio review by the Interior Architecture department. Please check this guide against the UNCG Catalog to help make the best selections.
