Transfer Guide for Interpreting, Deaf Education, & Advocacy Services 2Plus Students

Associate in Applied Science (AAS) in Interpreter Education

Please refer to UNCG's admissions website for more information on admission and transfer of credits. Credit will only be awarded for transferable courses for which a grade of C- or better is earned. Some courses shown in this guide may not be awarded credit until an AAS has been awarded by the NC Community College. Refer to the CAA Transfer Course List for a full listing of courses by designation – UGETC, General Education, Pre-Major/Elective.

General Education Recommendations

15 credit hours should be selected from courses classified as general education within the CAA. The following are the recommended courses for the most efficient transfer to UNCG. Other selections may be made from the AAS curricula, but we recommend checking the transfer credit planner to see if those other options are available for transfer.

NCCC General Education Courses	Credits	UNCG Equivalent Courses
COM 231 or COM 110	3	CST 105
ENG 111	3	ENG 101
ART 111 or DAN 110	3	ART 100 or DCE 200
PSY 150 or SOC 210	3	PSY 121 or SOC 101
MAT 152	3	STA 108

Major Course Recommendations

Students will be required to complete an additional 49 hours of technical major credits to earn their AAS degree. The following courses may or may not contribute to their AAS but will be a benefit to the student once they transfer to UNCG. *Please note the following for courses in this section marked with an asterisk (*): While UNCG awards direct equivalencies to our ASL language sequence, the SES language sequence has different content and so the applicability to that course work will be based on the results of a placement test. The placement test is available to students after formal acceptance to UNCG and have activated their UNCG email account. Students wishing to take the placement test will need to contact the Interpreting, Deaf Education, Advocacy and Services faculty to arrange the testing date and time after they have been officially accepted by UNCG and have a UNCG email address. The assessment is a written test containing multiple choice questions pertaining to ASL grammar and Deaf culture. There are also expressive and receptive portions on the exam*

where students are asked to video record their signing of prompts on the test or to watch a video of a signed prompt in which students must supply answers. Students who have an American Sign Language Proficiency Interview (ASLPI) score of 2.0 within the past 6 months that can be verified with a copy of the certificate with the date the score was given will be granted direct equivalency transfer credit for UNCG's four-course sequence.

Additional Information & Recommendations

Maximum Transferability

A maximum of 64 hours will transfer from across all 2-year (Community College) institutions. Credits will be reallocated up to the maximum for the greatest benefit of the student if more than 64 transferable hours are found among the student's 2-year coursework. Only grades of C- or higher are eligible for transfer to UNCG.

Time to Degree

Students following this guide for the B.S. in Interpreting, Deaf Education, and Advocacy Services with a concentration in Interpreter Preparation should expect to complete approximately 68-71 semester hours after transferring to UNCG. This consists of 12-15 hours of general education (MAC) courses and approximately 56 hours of major courses. Variation from the recommended courses in this guide *may* add additional hours to be completed after transferring.
